ACCESS FOR THEIR USE-DISTRIBUTION BOARDS

NATIONAL FOREWORD

This standard was approved by the Sectoral Committee on electrical Appliances and Accessories on 2001-04-05 and was authorized for adoption and publication as a Sri Lanka Standard by the Council of the Sri Lanka Standards Institution on 2001 - 07 - 24.

This Sri Lanka Standard is identical with IEC 60439, Low-voltage switchgears and controlgear assemblies, Part 3 : Particular requirements for low-voltage switchgear and controlgear assemblies intended to be installed in places where unskilled persons have access for their use-Distribution boards, published by International Electro - technical Commission IEC.

Terminology and conventions

The text of the International Standard has been accepted as suitable for publication without deviation, as a Sri Lanka Standard. However, certain terminology and conventions are not identical with those used in Sri Lanka Standards, attention is therefore drawn to the following :

Wherever the words “International Standard” appear, referring to this standard they should be interpreted as “Sri Lanka Standard”.
