(First Revision)

NATIONAL FOREWORD

This standard was approved by the Sectoral Committee on Textiles, Clothing and Leather and was authorized for adoption and publication as a Sri Lanka Standard by the Council of the Sri Lanka Standards Institution on 2013-10-02.

This Sri Lanka Standard was first published in 2006 which was an adoption of ISO 6330 : 2000. The ISO 6330 has been revised in 2012. This Sri Lanka Standard is identical with ISO 6330:2012 Textiles - Domestic washing and drying procedures for textile testing.

TERMINOLOGY AND CONVERSIONS

The text of the International Standard has been accepted as suitable for publication, without deviation as a Sri Lanka Standard. However certain terminology and conversions are not identical with those used in Sri Lanka Standards. Attention is therefore drawn to the following :

- a) Wherever the words “International Standard” appear referring to this standard they should be interpreted as “Sri Lanka Standard”.
- b) The comma has been used throughout as a decimal marker. In Sri Lanka Standards it is the current practice to use the full point at the base as the decimal marker.
- c) Wherever page numbers are quoted, they are ISO page numbers.
