Sri Lanka Standard
FOR ELECTROMAGNETIC COMPATIBILITY (EMC)
Part 1 : General
Section 1 : Application and interpretation of
fundamental definitions and terms

NATIONAL FORWARD

This Sri Lanka Standard was authorized for adoption and publication by the council of the Sri Lanka Standard Institution on 1998-09-10.

This Standard is identical with IEC 1000-1-1, Electromagnetic compatibility (EMC) Part 1 : General, Section 1 : Application and interpretation of fundamental definitions and terms.

Terminology and conventions

The text of the international standard has been accepted as suitable for publication without deviation as Sri Lanka Standard. However, certain terminology and conversions are not identical with those used in Sri Lanka Standards, attention is therefore drawn to the following:

Wherever, the words "International standard" appears, referring to this standards they should be interpreted as "Sri Lanka Standard".
