**Sri Lanka Standard
SPECIFICATION FOR FISH MEAL AS LIVESTOCK FEED**

FOREWORD

This standard was finalized by the Sectoral Committee on Agriculture and Food Technology - 2 and was authorized for adoption and publication as a Sri Lanka Standard by the Council of the Sri Lanka Standards Institution on 1995-04-27.

This specification is subject to the provisions of the Animal Feed Act No 15 of 1986 and the regulations framed thereunder.

Guidelines for the determination of a compliance of a lot with the requirements of this standard based on statistical sampling and inspection are given in Appendix A.

For the purpose of deciding whether a particular requirement of this specification is complied with, the final value, observed or calculated, expressing the result of a test or an analysis, shall be rounded off in accordance with CS 102. The number of significant figures to be retained in the rounded off value shall be the same as that of the specified value in this specification.

In the preparation of this standard assistance derived from the following publication is gratefully acknowledged :

IS 4307 : 1973 - Indian Standard Specification for Fish meal as livestock feed.

1 SCOPE

This specification prescribes the requirements and methods of test for fish meal.
