SRI LANKA STANDARD
FOR
SIZE DESIGNATION OF CLOTHES - GLOVES

FOREWORD

This Sri Lanka Standard was authorized for adoption and publication by the Council of the Bureau of Ceylon Standards on 1981-08-13, after the draft, finalized by the Technical Advisory Committee on Textiles, had been approved by the Textiles Divisional Committee.

It is hoped that the adoption of this standard will create harmonization of size designation systems and facilitate the international exchange of information which is vital for the ready-made garment industry in Sri Lanka.

This standard is identical with ISO 4418:1978 Size designation of clothes - Gloves, prepared by the International Organization for Standardization (ISO).

Wherever the words *International Standard* appear referring to this standard, they should be interpreted as *Sri Lanka Standard*.
